Chief of Police Adams doesn't like to see the crossings blocked. A Star reporter, coming along by the Fort King crossing this afternoon, and finding the A. C. L. train square across it, asked the chief, who was walking up and down, and looking impatient, "What's happened?" "Nothing," said the chief, "but," looking at his watch, "something will happen if that train doesn't move in a minute." It moved.

# The Children's Home Society OF FLORIDA

"Florida's Greatest Charity"

This society has provided for during the year just closing over Eight Hundred Orphan Children of Florida. These helpless, homeless and friendless little ones have been cared for just as lovingly and with every attention that they would have in their own homes, and most of them have been placed in permanent homes of their own with their foster parents.

To carry on this great work, which the Star considers one of the most noble works of the state, has cost a great deal of money and the society is short several thousand dollars. The society is very anxious to close the year out of debt.

Won't you send some money to the treasurer—whatever you can spare, from 25 cents up? Won't you do it now? Better still, won't you write the society and tell it that you will pay so much a year, payable quarterly, and send the first quarterly payment with your letter?

One of the handsome little books, issued each year, containing a full report of the society's accomplishments will be mailed you if you write for it.

You who have of this world's goods, send a small portion of it to those who have not. This space is not paid for by the society. It is a part of the Star's aid to this noble work.

Send all remittances to

## EASTLAKE

Eastlake, Dec. 23.—A wedding of much interest to Eastlake and Orlando was solemnized Wednesday, Dec. 22nd, when Miss Ethel Elizabeth Kichline, daughter of Mr. and Mrs. J. G. Kichline of Eastlake, was married to Mr. Henry Augustus Evans of Orlando, at the Methodist parsonage in Orlando. Miss Kichline was married in a charming traveling suit of dark blue broadcloth, trimmed in black fur, and wore a becoming black velvet picture hat. Only the families and a few intimate friends witnessed the ceremony. After the wedding journey, Mr. Evans, who for eleven years has traveled for the Florida Hardware company of Jacksonville, will continue his trips throughout the south, accompanied by Mrs. Evans.

A delightful shower was given by the ladies of Eastlake Tuesday afternoon at two o'clock to Miss Kichline, who received many charming and useful gifts.

It is with regret that the family and friends of Mr. J. J. Merrinan learn that he will be unable to spend the Christmas holidays with Mrs. Merrinan at Eastlake. Mr. Merrinan is Washington correspondent for the Boston Herald and his duties at the capital will prevent his leaving Washington for the present.

Mr. James Chace of Ocala will be the guest of Mr. Harold Klock during the holidays. Mr. Klock's friends

are glad to learn of his recovery from a recent attack of bronchitis.

Mr. and Mrs. J. J. Winter and family are now occupying their charming new cottage on the Ocala and Leesburg highway, where they are most comfortably installed. The cottage is one of the most attractive in Eastlake and is a decided acquisition to the neighborhood.

The Woodmar cottage formerly occupied by Mr. and Mrs. Winter has been taken for the remaining winter months by Dr. and Mrs. Baker of Virginia. They are expected about the middle of January and will be warmly welcomed by their friends here.

Mr. D. S. Woodrow, who has been spending the autumn months in Chicago, will return for the holidays to Ocala, where he will join Mrs. Woodrow and Miss Blair Woodrow at their home in that city.

The Eastlake Investment Co. reopened its packing plant last week in order to pack one more car of fruit, making a total number of thirty-seven cars for the season, besides a number of smaller shipments. The plant has been definitely closed until after the holidays.

The Eastlake Investment Co's Cash Store is running a daily delivery, which its patrons find a great convenience.

Mr. and Mrs. T. F. Mason of Buckport, Maine, have taken for the winter the Newport cottage. Mr. and Mrs. Mason spent a season several years ago at South Lake, where they made many friends.

The express and postoffices of Eastlake are kept busy these days, and judging from the number of packages being received and sent daily, many persons will be made happy this Christmas.

An interesting feature of the holiday festivities will be an old-fashioned New England turkey shoot, which is to take place here on the Thursday before Christmas. The turkeys, all fine specimens, will be contested for by many of the residents of East-

lake, and the best shots take home the birds to grace their Christmas dinner tables.

Mrs. J. G. Kichline has recently returned with her baby daughter to Eastlake from Ocala, where she spent several weeks pending the illness of the baby. Friends are rejoicing in the little one's recovery.
